

MITSUBISHI GSR EVO CLUB INC. SPONSORSHIP INFORMATION.

Mitsubishi GSR EVO Club is a car club for Mitsubishi enthusiasts that promotes safe and responsible use of motor vehicles.

Since its inception, MGEC has constantly had a full calendar of events for our members to participated in ranging from cruises, technical information nights, dyno days & the extremely popular TIME ATTACK.

Mitsubishi GSR EVO Club is a Confederation of Australian Motor sport (CAMS) affiliated club, ensuring its members have the proper insurance coverage and the opportunity to participate at motor sport events with other like minded CAMS affiliated clubs.

To maintain these activities for our members we are seeking sponsorship from businesses that we feel will further prosper by forming an alliance with the Mitsubishi GSR EVO Club. We currently offer a couple of base packages which can be further tailored to suit the unique requirements of individual sponsors. For further details on our sponsorship packages please refer to the detailed pages included in this information pack.

If we can be of any further assistance please don't hesitate to contact the club at sponsorship@gsr-evo-club.net or on the mobile phone number listed below.

We look forward to forging a prosperous partnership with your company and expanding your customer base.

Thank you very much once again.

Kindest Regards

Jay Taylor
President
