To make this as easy as possible MGEC has CAMS L2S Licence forms, or you can download from <http://www.cams.com.au> - fill them in at home or at one of our events, and once one of our club representatives signs your CAMS Licence application, we can issue you with a 30 day L2S CAMS Licence. You can use this licence instantly (up to 30 days), and MGEC will process your paperwork (with payment) to CAMS on your behalf. This will prevent delays with obtaining your CAMS affiliated car club membership and your CAMS L2S Licence so that you can get out there and race!

Just another benefit and service MGEC offers to its members! Any questions about obtaining CAMS Licences please feel free to contact [entries@gsr-evo-club.net](mailto:entries@gsr-evo-club.net)
